INTERNATIONAL RACES

Fourth Struggle Declared Off Because of Expiration of Time.

This Saved the Englishman From Defeat—The Reliance Was Near the Finish and the Shamrock Was Over Two Miles Astern.

New York, Aug. 25.—With Reliance less than a third of a mile from the finish and Shamrock III. hull down on the horizon, fully two miles astern of the defender, the fourth race of the present series for the Americas cup Thursday, was declared off because of the expiration of the time limit of 5½ hours as appointed on Thursday last. Although officially it was no race the defeat administered to the challenger was so ignominious that whatever lingering hope remained in the breasts of the friends of Sir Thomas' boat vanished into thin air. Reliance's victory was in every way more decisive than that of last Saturday. Outsailed, outpointed and outfitted, it was a procession from start to finish, with Shamrock bringing up the rear. Here-shoff's boat beat Shamrock III. hopelessly in the 15 miles of windward work, rounding the outer mark 12 minutes and 29 seconds, and down the wind Reliance steadily increased the lead. The real race of the day was not in the run against Shamrock, but in the exciting struggle of Reliance in the last half hour to reach the finish line before the regatta committee fired the gun which announced the expiration of the time limit. Had the wind freshened 20 minutes earlier than it did, the cup series would have ended Thursday with three straight wins for the defender, and Fife's light weather boat would have sailed back to Al-bion's shores one of the most disastrously worsted challengers in the history of the America's cup contests.

The next race, which will be like the one attempted Thursday, 15 miles to leeward or windward and return, will be sailed on Saturday.

THE BALKAN SITUATION.

The Revolutionists Have Destroyed All Posts Along the Frontier.

Sofia, Aug. 29.—The general situation in the vilayet of Adrianople continues alarming. The revolutionaries have destroyed all the Turkish posts along the frontier.

The Automobile says the Turkish commander in the district of Seres has ordered his subordinates to kill and destroy everybody and everything Bulgarian as soon as the insurgent bands appear. The Turkish population is fleeing towards Constantinople. Eight hundred men, women and children have gone to Yasilko and the Turkish government is arranging to send them to Asia Minor.

A fierce fight has occurred at Pasakui, 20 miles from Adrianople, where three Turkish battalions surrounded a body of insurgents. A second band of rebels came to the assistance of their comrades, who thereupon broke through the cordon, killing 150 Turks. The Macedonian organization is reported to be planning a big movement. Gen. Zontcheff is said to be organizing a body of 5,000 Macedonians to cross the frontier.

The Macedonian committee has urgently appealed to Prince Ferdinand to show greater interest in the Macedonian situation, saying if Macedonia is not soon liberated the position of Bulgaria will become exceedingly critical.

The Dnevnik prints what purports to be the accurate details of the train outrage near Kueli Burgas. It says a package was placed in the restaurant car of the train at Buda Pest containing the bomb with a clockwork attachment which was timed to explode as the train was crossing the bridge at Maritza. It was intended to destroy the bridge and cut off communication between Adrianople and Salonica.

AN ALLEGED SWINDLE.

Man Arrested Charged With Working a "Fake" Directory.

Louisville, Ky., Aug. 28.—A "fake directory" swindle of national proportions and by means of which over \$1,000,000 has been taken from merchants, bankers, etc., all over the country, is alleged by the local detectives as the ground for the arrest of Jacob W. Geist, who claimed to represent the National Gazetteer, of New York and Chicago, was taken into custody here Thursday charged with having obtained money by false pretenses from five local firms. The officers declare that Geist's doings are connected with those of James Fallon, arrested in New York last April, and of Arthur Hubbard, arrested in Washington about the same time on similar charges. According to the officers the men go to merchants to solicit advertising in a national business directory and rating book. If a bona fide order signed by the merchant is given it is raised in amount and so changed as to provide for payment at a date before delivery of the directory and advertisements. If the merchant refuses he is persuaded to sign a blank application for a sample copy which later appears as a contract for payment over the victim's signature. It is said that many merchants have paid amounts ranging from \$25 to \$100. The officers claim the scheme is being worked all over the United States and Europe with a central office where the papers are altered by means of acids and printing appliances.

POWERS' THIRD TRIAL.

Again Found Guilty of Complicity in Goebel Murder.

Special Judge Robbins Overruled Motion For New Trial and Sentenced Him to Hang November 25—Case Will Be Appealed.

Georgetown, Ky., Aug. 31.—Caleb Powers was Saturday found guilty of complicity in the assassination of William Goebel and sentenced to death. Special Judge Robbins formally overruled a motion for the granting of a new trial and passed sentence of death upon him after a declaration of the prisoner, "I am not guilty, judge." The court fixed November 25 next as the day for the execution. The attorneys for the defendant secured the granting of an appeal for the case to the Kentucky court of appeals, and, if unsuccessful, they may try to get the United States supreme court to take it under consideration. Powers was the coolest man in the courtroom when the verdict was read and sentence pronounced against him. He was immediately removed to the Scott jail, to be there held pending the appeal of his case to the higher courts.

Powers refused to say anything after the rendition of the verdict, only saying that he had said all that he cared to in his speech to the jury.

ROBBED THE OFFICE.

Two Men Killed and Two Wounded By Hold-Up Men.

Chicago, Aug. 31.—Without a word of warning two men were killed and two others wounded by hold-up men at the barns of the Chicago City Railway Co., Sixty-first and State streets, at an early hour Sunday. The shooting was done by three men, who escaped after securing \$3,000. Three of the men who were shot were working in the cashier's office, and the other was a motorman asleep in the outer office. The men in the office were shot before they were aware of the robbers' presence, and the motorman was killed as he was rising from a bench where he had been asleep.

The robbers took no chances but disposed of all the opposition of the employees before they entered the office. Choosing the time when the employees were busily engaged in balancing up the receipts of the night, just after the last conductor had turned in his money and left the barns the robbers suddenly appeared at the receiving window and began shooting. The first intimation those inside the office had that anything was wrong was when they heard the shots. The first bullet struck Stewart, and he fell to the floor without a word. Biehl and Edmond, who were sitting near Stewart, turned to see what was the matter, but before they could leave their chairs they were rendered helpless by the well-directed bullets of the robbers. Johnson, the motorman who was asleep on a bench in the outer office, hearing the noise, started up to go to the assistance of his companions, but was shot and killed before he could get to his feet. Making sure that all opposition had been removed the robbers then broke open the door of the cashier's office with a sledge hammer, and secured \$3,000 in bills which was lying on the desk. They then made their escape. Four men were arrested three hours after the robbery, on suspicion of being implicated in the crime, but they have not as yet been identified.

The J. P.'s Agree.

Staunton, Ark., Aug. 31.—News comes from Duff, Searcy Co., this state, that Mr. T. E. Reeves, a Justice of the Peace at that place, has written a letter recommending Dodd's Kidney Pills in which he says:

"I think Dodd's Kidney Pills can't be beat for Kidney Trouble, and I wish them every success."

The local J. P. Mr. E. B. Cox agrees with his brother Justice on this point for he says:

"I had a bad case of Kidney Trouble and was not able to do a day's work without great distress. I bought six boxes of Dodd's Kidney Pills and after I had used three boxes I was all right. I am as well as ever, and I cannot praise Dodd's Kidney Pills too highly."

"I have given the other three boxes to some friends of mine who had found out what it was that had cured me so satisfactorily and quickly and they all speak highly of Dodd's Kidney Pills."

No one disputes this unanimous verdict.

Unavoidable Delay.

The irate heirs called in the general office of the life insurance company.

"We want to know," they said, "why you are so long in paying the \$10,000 called for in the policy our deceased relative carried in this company. He died three months ago, and we were promised we should have it in less than 60 days."

"What was his name?" asked the president.

"Benjamin Franklin Lunderschlagel."

"Ah, that is the reason, gentlemen," affably explained the president of the concern. "If it had been a short, easy name like David Jones or Thomas Johnson the matter would have been settled and you would have got your money long ago."—Chicago Tribune.

SUFFERED FOR FIFTEEN YEARS

Completely Restored to Health. Mrs. P. Brunzel, wife of P. Brunzel, stock dealer, residence 2111 Grand Ave., Everett, Wash., says: "For fifteen years I suffered with terrible pain in my back. I experimented with doctors and medicines but got little if any relief. I actually believe the aching in my back and through the groin became worse. I did not know what it was to enjoy a night's rest and arose in the morning feeling tired and unrefreshed. My suffering sometimes was simply indescribable. Finally, I saw Doan's Kidney Pills advertised and got a box. After a few doses I told my husband that I was feeling much better and that the pills were doing me good. When I finished that box I felt like a different woman. I didn't stop at that, though. I continued the treatment until I had taken five boxes. There was no recurrence until a week ago, when I began to feel miserable again. I bought another box and three days' treatment restored me to health. Doan's Kidney Pills act very effectively, very promptly, relieve the aching pains and all other annoying difficulties. I have recommended them to many people and will do so when opportunities present themselves."

A Free Trial of this great kidney medicine which cured Mrs. Brunzel will be mailed to any part of the United States on application. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists, price 50 cents per box.
